would like to welcome you and your business!!***

On behalf of the Vinton Area Chamber of Commerce, I want to thank you for your membership and continuous support to our community. The Vinton Chamber mission is to promote business, enhance the economic environment, support community development, and act as a catalyst for improving the overall quality of life for our community and region. Vinton is a wonderful place to live, work and grow your business. As Executive Director, I want to encourage you to remain active in the community and in the Vinton Chamber. Let's work together to make Vinton a place where businesses succeed and grow. The Chamber presents an opportunity for all members to grow their network, and in turn, grow their business. We aim to provide a connection in a business environment that brings people and organizations together to support one another and advance our interest. I encourage each member to actively promote the Vinton and surrounding area business community by being patrons of our membership.

As the calendar turns to 2023, we plan to offer a host of various networking opportunities. The return of the Lunch & Learns, Ribbon Cuttings, Signature Events, Coffee with Cops and Business Afterhours just to name a few! I also intend to get to know all our members by visiting each business to take pictures and videos to share on our website and social media. We are proud to promote our business community to our members, residents, and visitors to our area. We are looking forward to a year of stronger relationships and a stronger business community!

The chamber is the voice of the business community in local issues and has a strong relationship with the Town of Vinton. Representation of businesses includes problem solving and promoting economic development.

Please give us a call, we would love to come out and meet you. Send us an email and we will send you an invitation to our next event.

We look forward to meeting you.
